"Across a local area, Work Local could each year result in 8,500 more people in work, additional fiscal benefits of £280 million and a benefit to the economy of £420 million..."

An integrated and devolved service

- A 'one stop' service that is rooted in place
- With clear and responsive local leadership
- That is driven by local opportunities and needs
- Within a common national framework for devolution
- Improving experiences of individuals and employers
- Governed by Local Labour Market Agreements
- Delivering better outcomes at a lower cost

Making our vision a reality

This year

- **Central and local government agree to:** ‘Work Local’ Pathfinders by 2022; a single set of readiness criteria for future devolution.
- **A stronger local role in the current system** including: apprenticeships, employment support, careers advice, skills

By 2020

- **Build the capacity and capability for devolution** to support Work Local
- **Begin the transfer of funding and powers** – apprenticeships, adult skills, employment services, shared prosperity fund, growth hubs

By 2022

- **Roll out the first Work Local pathfinders** – with Local Labour Market Agreements, full ‘one stop’ integration, and joint oversight
